

Rainbow Hearse

About this service and why I only require a set donation to charity for its use

My elegant white Daimler hearse is the perfect way to celebrate, and reflect on, a loved one's life. It has full-length non-tinted windows on each side of where the coffin is placed so that it can be clearly seen in its entirety. The coffin rests on a walnut finished deck with cover boards fitted to ensure that the maximum amount of floral and other tributes can surround the coffin.

I can provide an 8 x 5 ft rainbow flag to be draped over the coffin, and a garland archway of artificial rose petals arranged in the rainbow colours can be placed inside the rear door of the hearse, through which the coffin passes. A similar V-shaped rainbow garland can be placed on the bonnet of the hearse. However, these additional items are options. To see the white hearse in its standard form, go to my website's *White Hearse* page. Exactly the same make and model hearse, but in black, is available if required.

I deem it an honour and a privilege to convey a loved one to their final resting place on behalf of the family, and for that reason I cannot accept payment in return for this service. Instead I ask that a set charitable donation is made in the loved one's memory to [Torbay Bikers for Kids \(Registered Charity No: 1200973\)](#) who raise funds to purchase essential items that will help improve the lives and/or education of children who are disabled or severely ill, living in Torbay and the surrounding area.
